

Terms and Conditions

Daily rental consists of a maximum of 8 hours on the machine within a 24 hour period. Weekly rentals consist of a maximum of 40 hours on the machine within 7 consecutive days.

Monthly rentals consist of a maximum of 160 hours on the machine within 28 consecutive days.

All overtime will be charged at \$62.50 per hour. Rates are subject to change without notice.

All machines are rented with a full tank of fuel. Fuel added upon return will be charged to the customer.

The customer is expected to operate the machine in a safe manner.

Operators shall be qualified or trained in proper operating procedures.

Physical loss or damage to the equipment is the customer's responsibility. If machine is damaged, rental fees will continue to be charged until damage is repaired. A Certificate of Insurance is required on all rentals.

The customer shall perform daily maintenance and safety checks on the machine. The customer shall replace all consumables, such as fuel, lubricants, filters, cutting edges and tips, when required. All needed service work should be reported immediately. The customer is expected to return the machine in reasonably clean condition. The customer is expected to decontaminate any machines used in any hazardous waste materials.
